MESSAGE FROM THE executive director & board chair

2020 was an unprecedented year for the people we serve in difficult and tragic ways. It was also an unprecedented year of generosity by donors and volunteers.

This annual report documents that extraordinary support including financial, clothing, supply, and food donations, as well as volunteerism.

However, the numbers in this report tell only one part of the story of 2020. Together we gave relief and inspired hope in our housing and food insecure guests in ways that cannot be represented in data.

Your support let people know that we care about them. People on the margins of society who often feel invisible and neglected. Your contributions brought people hope, visibility, and self-worth.

Blanchet House recognizes the inherent dignity of every human being who comes to our doors. We are able to do this day after day because of you.

With profound gratitude,

Scott Kerman
Executive Director
Blanchet House
