

BLANCHET HOUSE OF HOSPITALITY

70th Anniversary, 1952-2022

Feb. 11, 2022, marks Blanchet House's 70th year of providing meals, shelter, and restoration to people experiencing great hardship. From its early days as an all volunteer soup kitchen to today's modern organization serving thousands, we continue its mission to alleviate suffering.

Blanchet House endures because the need for its services persists. The economic and humanitarian crisis brought on by the COVID pandemic has caused extraordinary urgency for food and clothing programs. We are now able to reach more people in need because of innovations in how we deliver services and an expanded community of generous supporters.

We plan to commemorate 70 years of service through shared stories, history exhibits, and events to celebrate our incredible community. We invite you to join us in recognizing Blanchet House's 70th year of service and help us continue in one of the following ways.

With your help, Blanchet House will continue to fill the gaps in our social safety net.
