This is an in-person live event.

Guests please RSVP by February 9th.

Blanchet House is working to provide pathways out of homelessness and addiction, and stabilizing sheltered communities by offering aid and tools for self-sufficiency.

Your support of this event allows us to continue to address the complex needs of those struggling in Portland and Yamhill County with homelessness, food insecurity, addiction, and mental health issues.

With over 70 years of experience providing food, clothing, shelter, and hope, our community counts on Blanchet to offer our most vulnerable citizens aid.

Blanchet continues to be one of the Most Admired Nonprofits in Oregon as chosen by the Portland Business Journal and recognized nationally by Charity Navigator as a 4-out-of-4 star charity.

The support you give allows us to serve.
